INSTRUCTIONS

1. Fold piece of construction paper in half on dotted line.
2. Using the template above, cut on solid blue line to remove a 2" strip from the top edge of one side.
3. On the remaining side, cut on solid blue line 1" toward center on each side.
4. Fold each cut side at an angle toward center to form collar.
5. Using two or three different colors of poster paint or crayons, have each child paint/color freehand to cover a sheet of paper. With paint, allow ample time for drying between colors.
6. When dry, use pattern on next page to cut a tie shape from each sheet.
7. Fold on dotted angles to form bottom of tie.
8. Fold long dotted edge toward center on each side.
9. Fold on dotted line again.
10. Fold top edge of tie and glue in place on shirt!
11. For an extra touch, add a button to each collar.
